

I would like to thank Le Club du Labrador du Québec for giving me the opportunity to fulfill my second permit assignment. I would also like to extend my thanks to Marie Lanctot, Jack Vanleeuwenkamp, Kathy Cummings, Judy Wright, Gail Danks, Bev Lubbert, Gina Orsini McComb, Tina Turcotte, Stéphane Laliberté, Jean-Louis & Madeleine Blais, and last but not least Jean Bourdon for their efforts in making our Specialty a success. I could not have asked for better weather and the support from the exhibitors was very much appreciated.

Winners Dog – CASTILLEJA’S TL HUDSON

Black with a lovely head and expression, good coat and tail and moved well. He should mature nicely. Love the rapport he had with his owner/handler.

Reserve Winners Dog – LINJOR CABERNET EXPORT

Another black with good qualities, obviously immature which is normal at this age, sweet head and expression, good coat and tail moved freely with a good top line, also at one with his handler.

Winners Bitch – HUNTERLEIGH TABATHA GRACE

A lovely yellow bitch, so feminine yet strong. Amazing coat and tail, good bone, moved very well. I was happy to award her Winners Bitch.

Reserve Winners Bitch – CHABLAIS CHEDRE CAMEE

Another yellow of good quality, not in the best of coat, showed beautifully, feminine head and expression, great top line and moved out well, a little wide in front.

Best of Breed – BIS & BISS AM.CAN.CH. WINTERWIND’S GLENN PLAID

A mature black dog, yet not overdone, muzzle a little short but did not take away from his kind expression. He represents the breed well, clean mover, level top line, good angles front and rear. I was proud to add to his accomplishments. It’s nice to see a Labrador do well at All Breed Shows and Specialty Shows. Good job!

Best of Opposite Sex & Best Veteran – BISS AM.CAN. CH. KRISCOLAND’S PURIFY ME CLAIRE

A black bitch who has always caught my eye, it was an honor to award her B.O.S. Very feminine, great coat & tail, showed beautifully. A tribute to her owner, I would take her home.

Best of Winners – HUNTERLEIGH TABATHA GRACE

I chose her over my Winners Dog as she was in better condition, I know my winners dog will have his day.

Award of Merit – CH. CASTLEGAR SOMETHING ELSA – A well put together yellow bitch, who was on that day, she moved freely and effortlessly, feminine with a soft expression, in excellent condition.

Best Puppy – CHABLAIS TIRAMISU

This is a tough class, all the puppies are deserving, yet I could only pick one. She is a darling chocolate with the sweetest and feminine head, and so well put together. Great shoulders, top line, nice double thighs and well angulated, another sure winner for this kennel.
